Day Dreams

Manifestations = Strategic Mathematical Traction on  
Purpose

Visions = Mathematical Traction / Projection (Based on the highest  
probability of current calculations based on Logic, Math, and  
Physics)

Life Titans

Conscious Awareness = Days Dreams = "Manifestation"  
Identity = REM = "Dreams"  
Logic (Our Creation Intuition) Manifestations = Lucid Dreams

Deja Vu = Manifestation of our Logical Lucid Dreams coming to  
Fruition, BUT... because they are not part of our Conscious  
Awareness, we are surprised when "it comes back around"

Logic = Intuition

"Manifest"

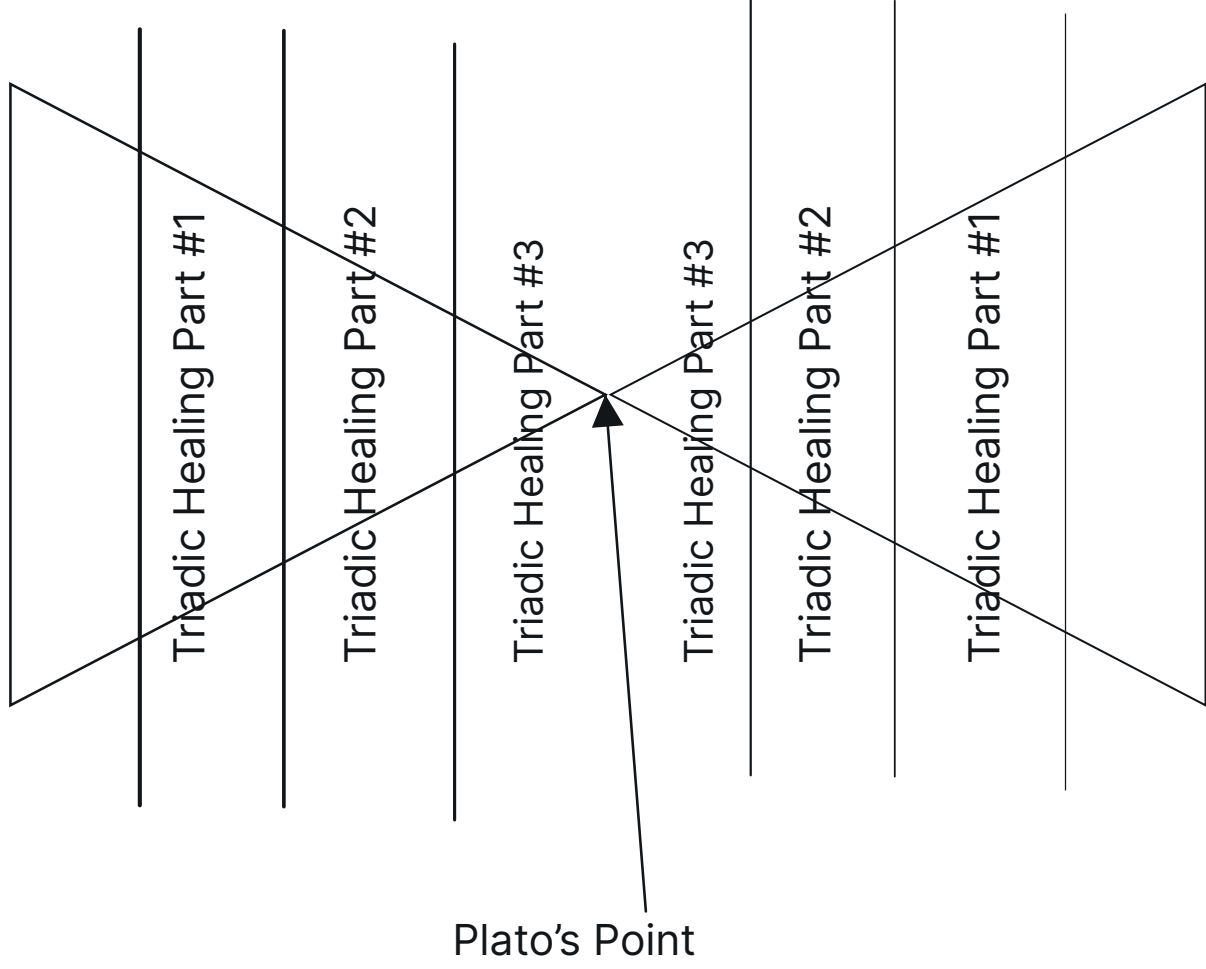

Applying strategic Conditioning of my own RAS DURING REM and Lucid Dreaming states so I can MAXIMIZE my own intelligent and knowledge without the use of TIME, DRUGS, or books...

"Show me the next step."

"I WANT THE SOLUTION TO EX."

Love = Power

Want

Choose

Purpose

It is in the Choosing and the Practicing of our QUALITIES that we BECOME

Want = Purpose = love

PROCESS of becoming = Power  
"Proof of concept"

Power is Acting out of Love

What qualities do I WANT

Purpose  
LOVE

What kind of a person do you Want TO BE?

What qualities DO YOU WANT

For yourself?  
"Instead of saying "I can't..."  
Say How can I become?"

Momentum  
Generator  
Want Choose Do = Power

BECOME the Qualities

I AM  
POWER (LOVE)

DO the Qualities

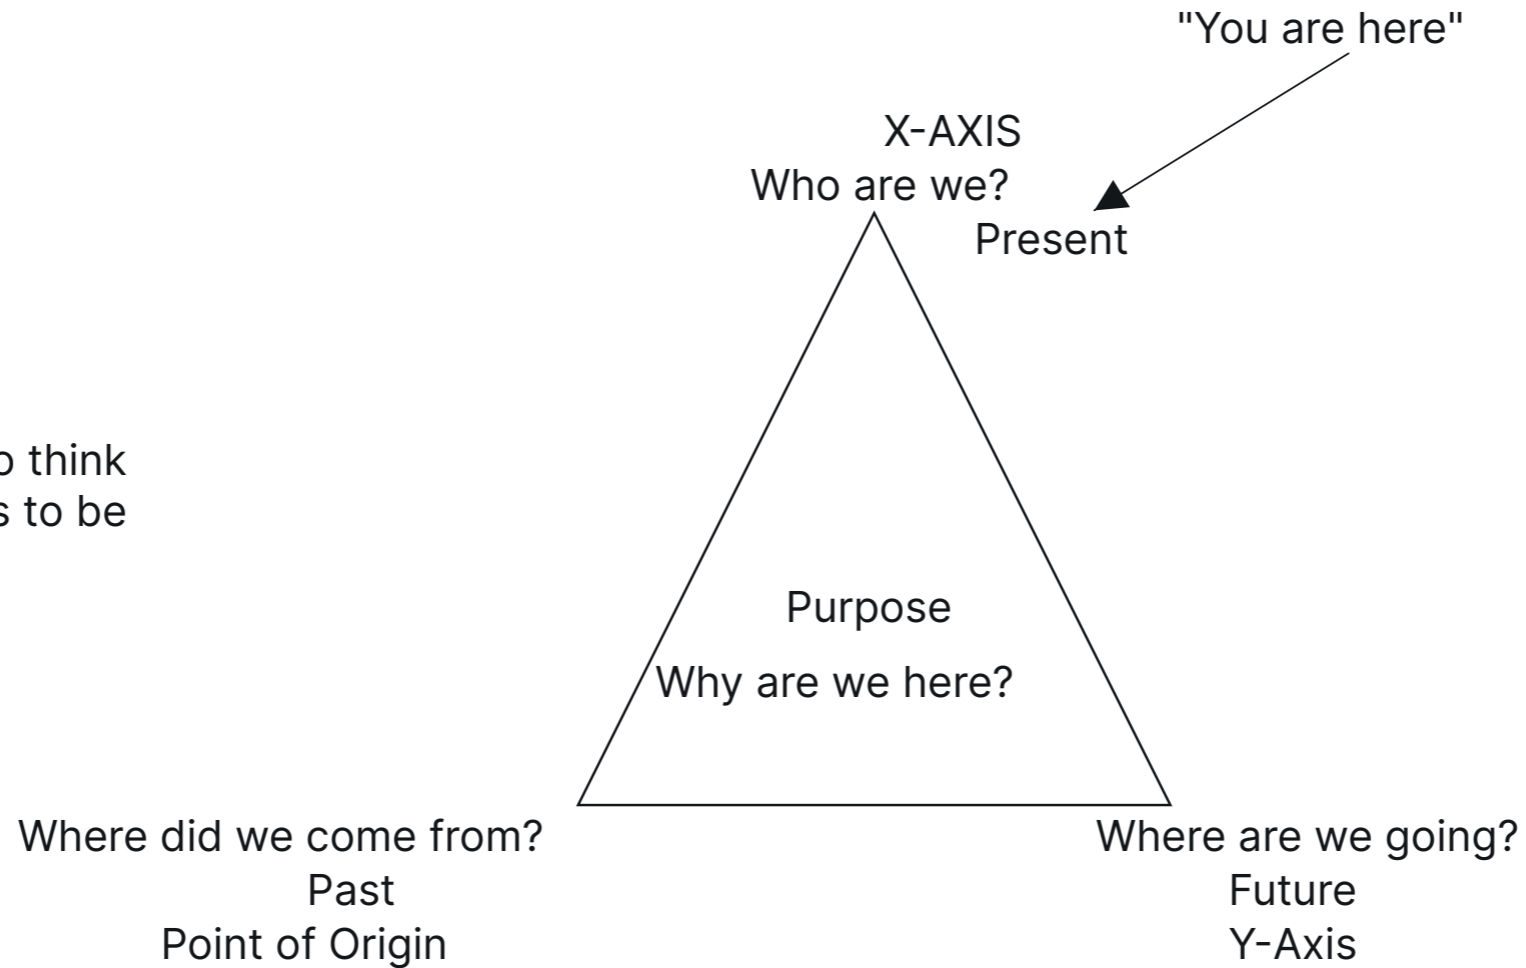

Action  
Choice

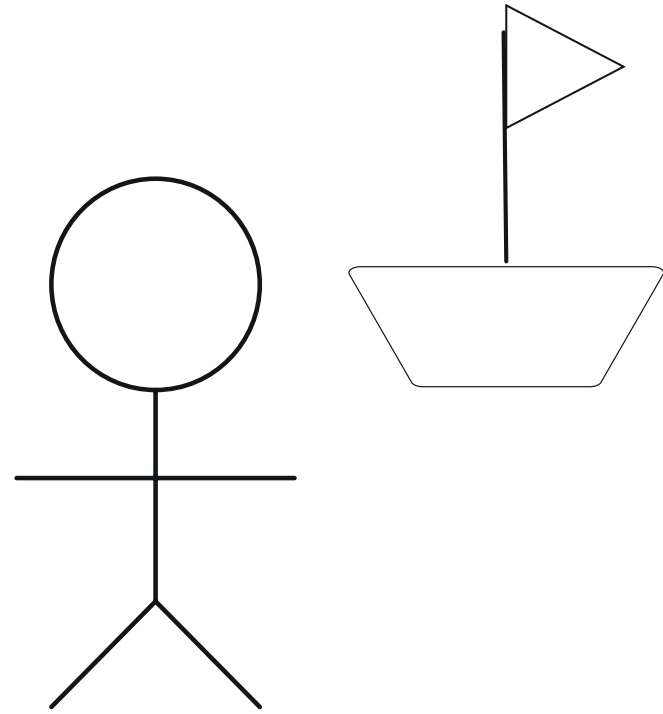

Practicing your QUALITIES

100% Socrates = Written by Plato  
Was Socrates a figment of Plato's Imagination?

I am therefore I think - Kant  
I think therefore I am - Descartes  
I love therefore I do therefore I am - Anna

To be is to think  
To think is to be

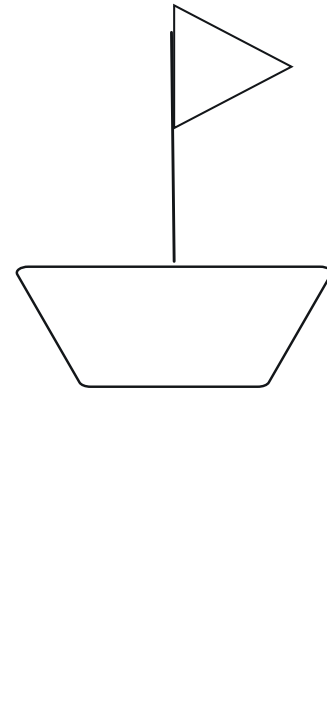

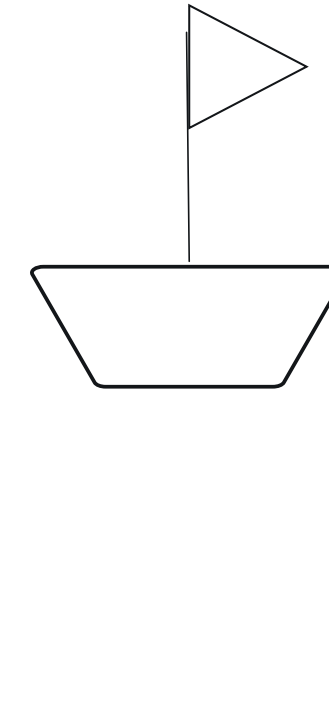

Stage #1  
THE BUILDING of your Boat  
(AT HOME 0 - 5)

What kind of boat  
Are you going to build?

1 - 2 - 3  
Learn how to BE Physics

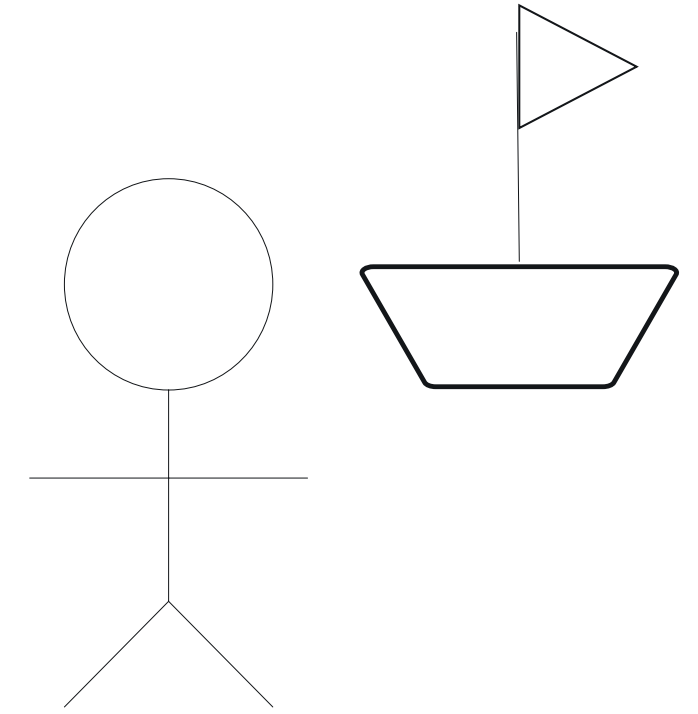

Stage #2  
PLOTTING YOUR  
DESTINATION  
At School LEARNING  
EDUCATION = LIFE SAILING  
LESSONS SO YOU CAN  
CAPTAIN YOUR SHIP  
4 - 5 - 6  
"How not to be an asshole"  
Becoming aware that you ARE PHYSICS

Stage #3  
SET SAIL WITH YOUR BOAT  
"BON VOYAGE"  
IN LIFE

7 - 8 - 9  
POWER ECONOMICS  
Human circuitry

"You don't get POWER until you  
Learn to respect THE POWER OF OTHERS."  
- The Ethical Genius of Mother Nature

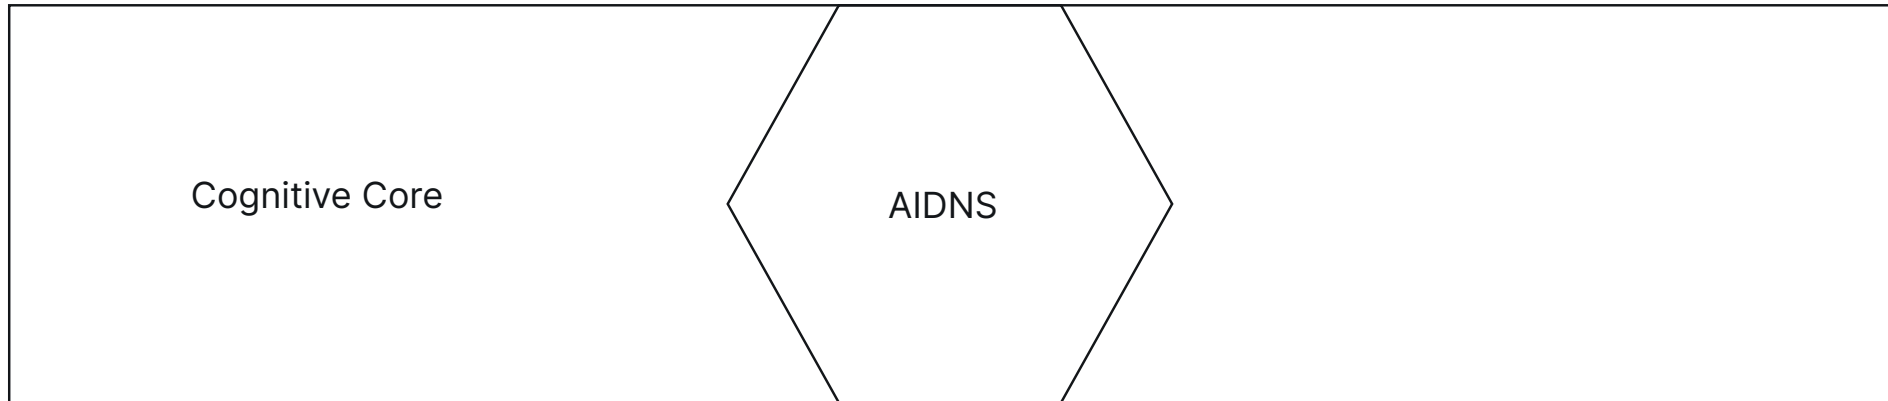

Stage #4  
MASTERING THE SEAS  
WITH STEERING  
"FLEET BUILDING 101"

10, 11, 12  
NAVIGATION AND STEERAGE

# GENERATOR (ENGINE)

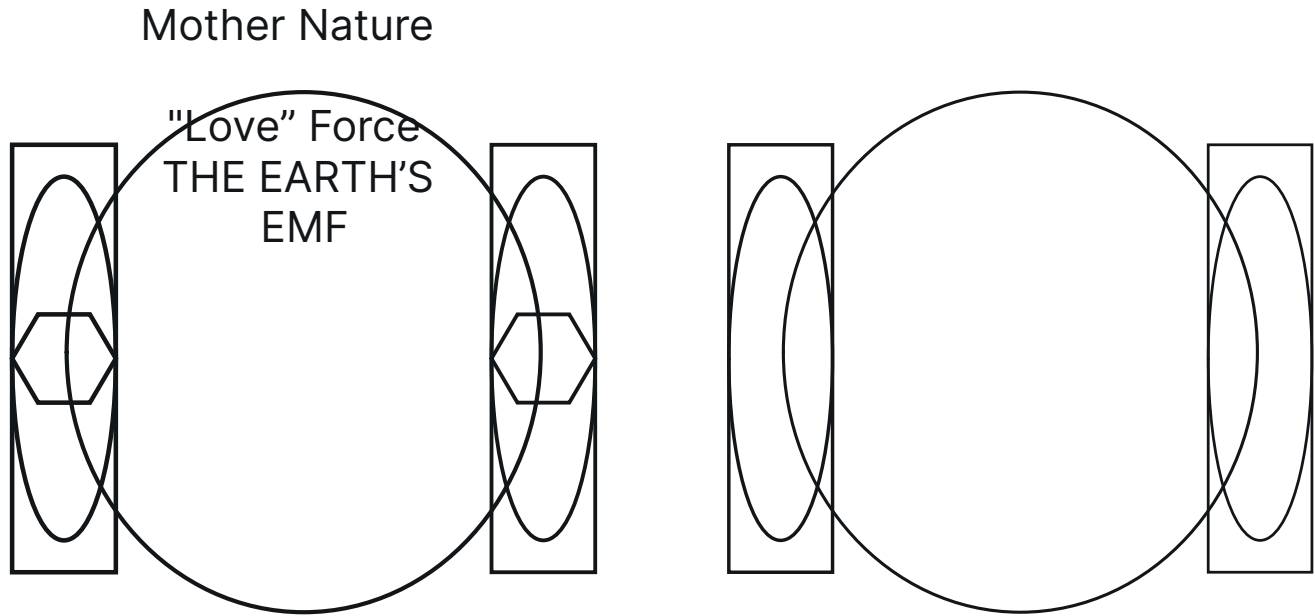

Want + Choose + (Learn + Solve) + Do = POWER

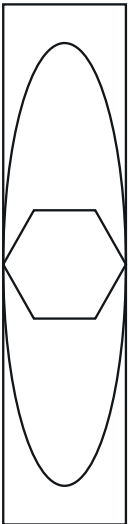

Install (Upgrade) the AIDNS = Logical Information  
(Learning about it)

AIDNS + Cognitive Core = Prosthetic Subconscious Mind  
Abstract Intra-Dimensional Navigational System

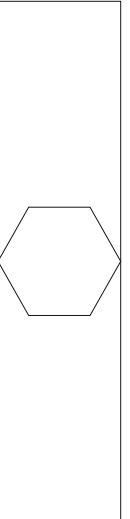

POWER ECONOMICS = GENERATOR TO POWER MY BOAT

A MOTOR! For my ship!

Scientific Method +> Your Path of Learning and Exploration

Learning = Scientific Method

Jack has a ball. = 1 Clause = 1 Sentence  
Jack has a Bat. = 1 Clause = 1 Sentence  
Jack has a Ball and a Bat. = 2 Clauses ⇒ 1 Sentence

The First Law of Integrated Mathematics:  
An Integrated Whole is ALWAYS DEPENDENT upon it's components

Second Law of Integration: A UNION DIVIDED AGAINST ITSELF

[Learning (Scientific Method) 1+>12+>Infinity] + [Want + Choose + Do] + Power Economics [Purpose (Power) + Destination (Goal)] = Strategic Life Planning and Propagation +> Success and Happiness and Prosperity

CANNOT STAND

**Component #1**

[Learning (Scientific Method) 1+>12+>Infinity]

**Component #2**

+ [Want + Choose + Do] +

**Component #3**

Power Economics [Purpose (Power) + Destination (Goal)]

**INTEGRATED (GREATER) WHOLE**

= Strategic Life Planning and Propagation +> Success and Happiness and Prosperity

Educated "Integrated" Thinkers = ALWAYS INTEGRATE  
Non-Integrated Thinkers = NEVER or RARELY INTEGRATE

Sum or Summation

Peach = It's OWN Self

A+A+A = 3A

3 //1 (ALWAYS

Dependent upon its components)

YOU ARE AN INTEGRATED WHOLE

Mental Illness is when an INTEGRATED WHOLE IS DIVIDED  
AGAINST ITSELF

WE ARE PHYSICS

Cultivates DISINTEGRATION OF THE SELF
